

## Remembering Dr. Haiming Wang

August 26, 2019

**Dear Dr. Zhang and her family members and friends,**

We have just learned with great surprise the sad news that Dr. Haiming Wang passed away on August 23, 2019. Dr. Wang was known to many of us as a wonderful person and a great leader. Dr. Wang had very positive personality and hardworking attitude. He was one of the founders of Chinese American Society of Anesthesiology (CASA) and served as the first CASA president. Dr. Wang was an honest friend to many of us. He was a proud father and a loving husband. He leaves a lasting legacy among our oversea Chinese anesthesiologists, especially those in the US.

On the behalf of our ICAA members, we would like to express our sincerely condolence to Dr. Lili Zhang and her family. Our thoughts are with you.

Sincerely,

*Xia, Yun*

Yun Xia (夏云)
